

# ***CS101 Project in Embedded Systems***

## **Arena Protector**

**Team ID: - 406**

**Ayush Agrawal : 14D070042**  
**Mohak Goyal : 140070029**  
**Raman Preet Singh : 140070059**

# Motivation behind the Idea

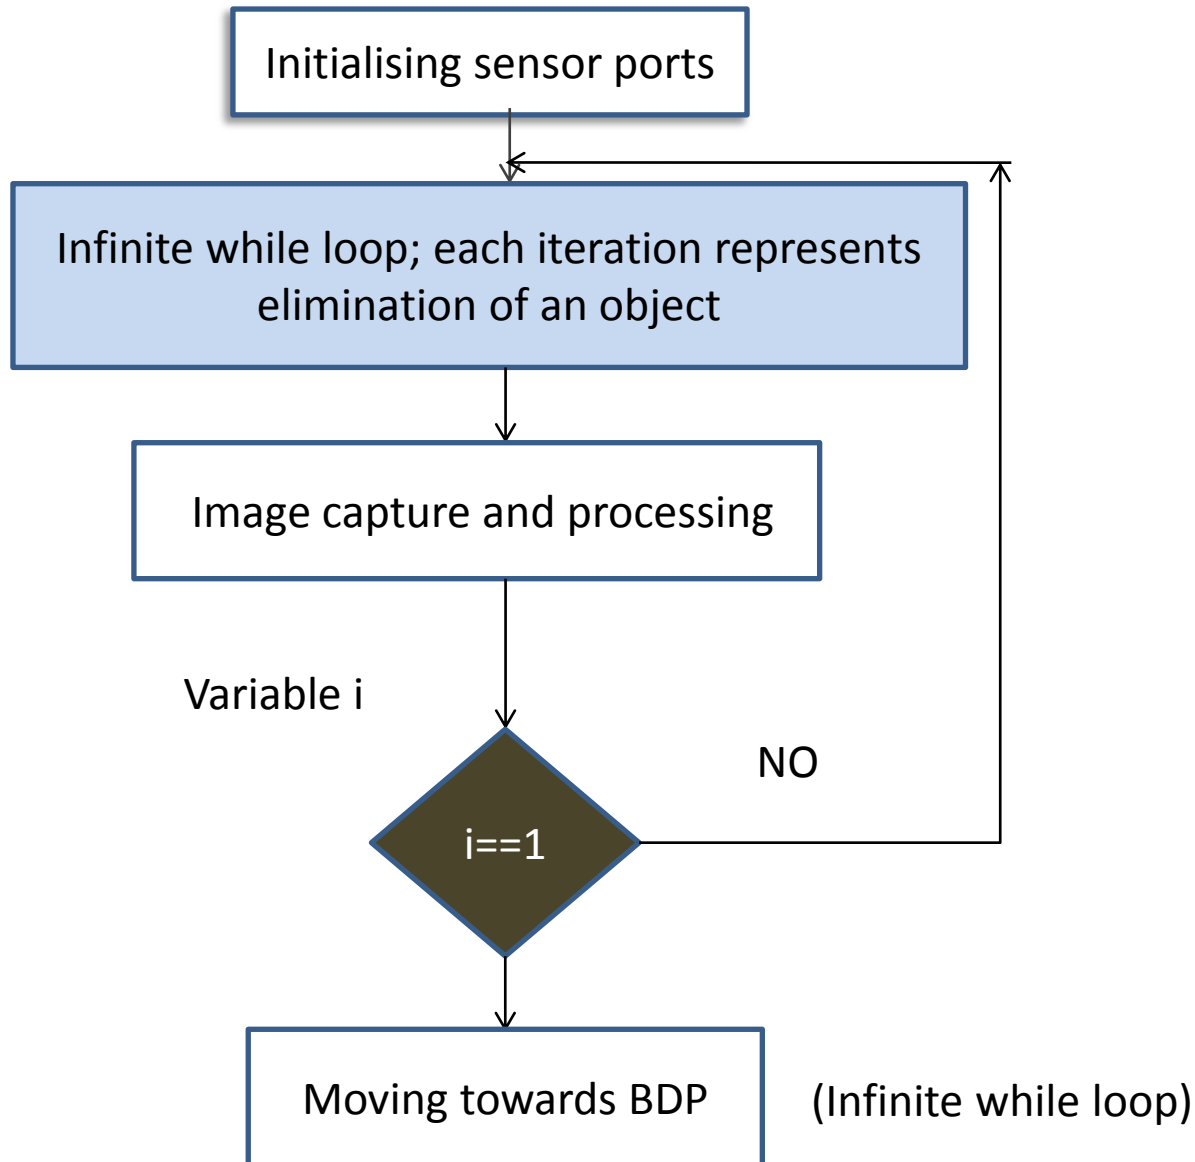

**To execute an action at place, dangerous for a normal person.  
Basically it is Military Operation**

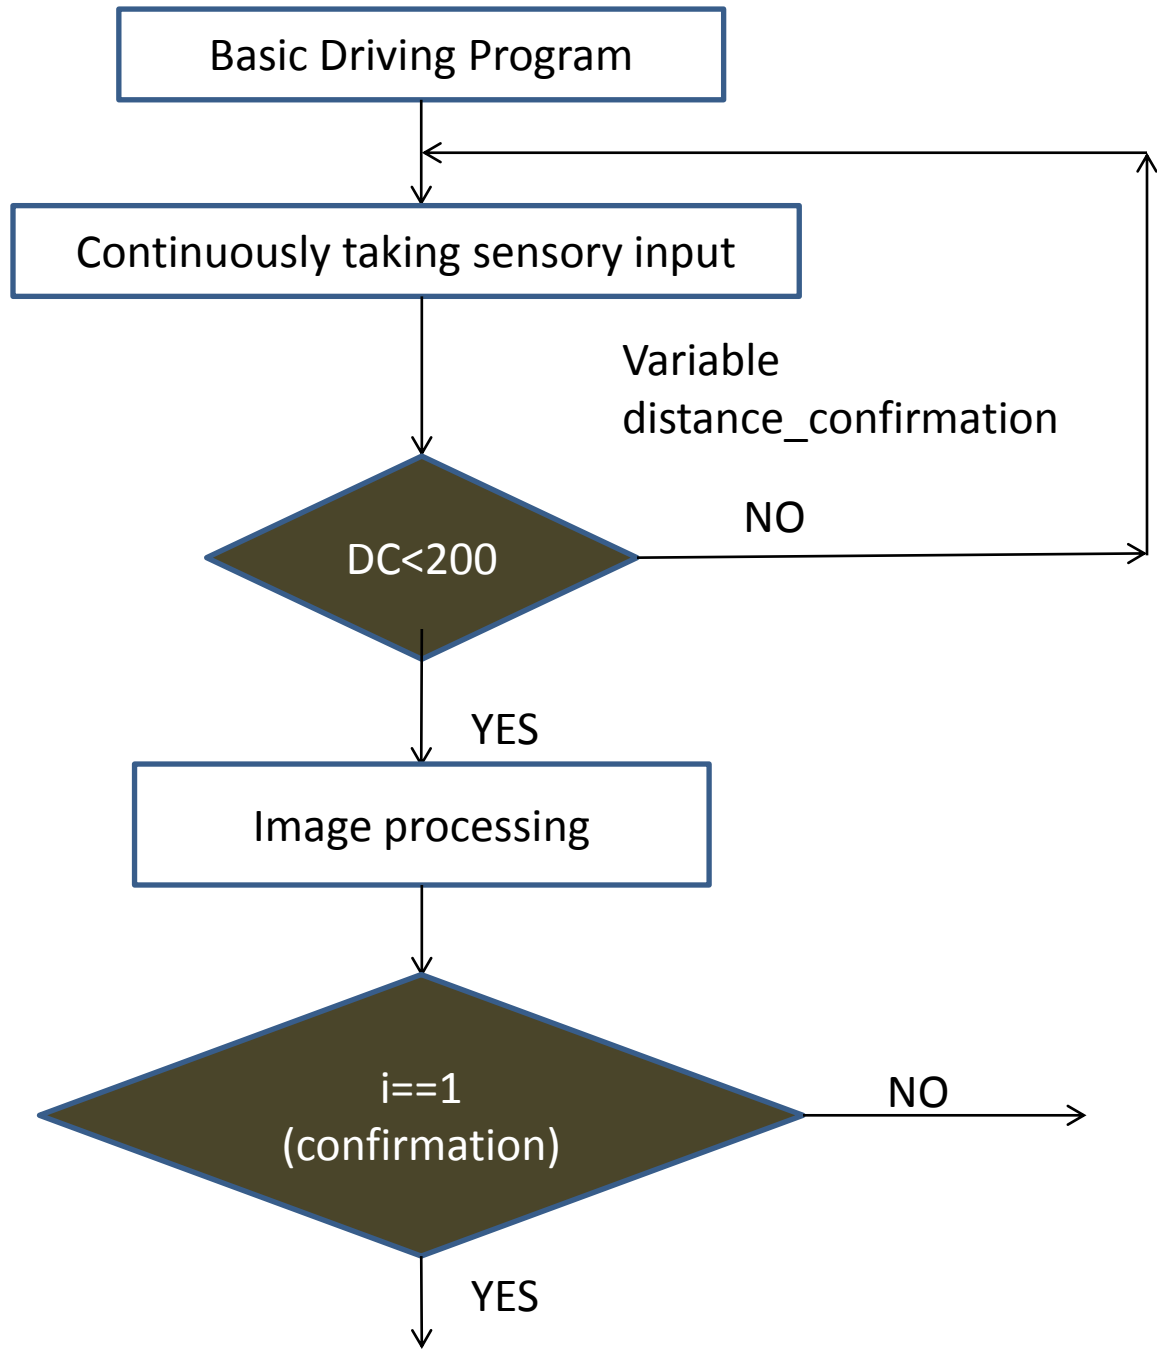

For example : Unknown Rooms like these

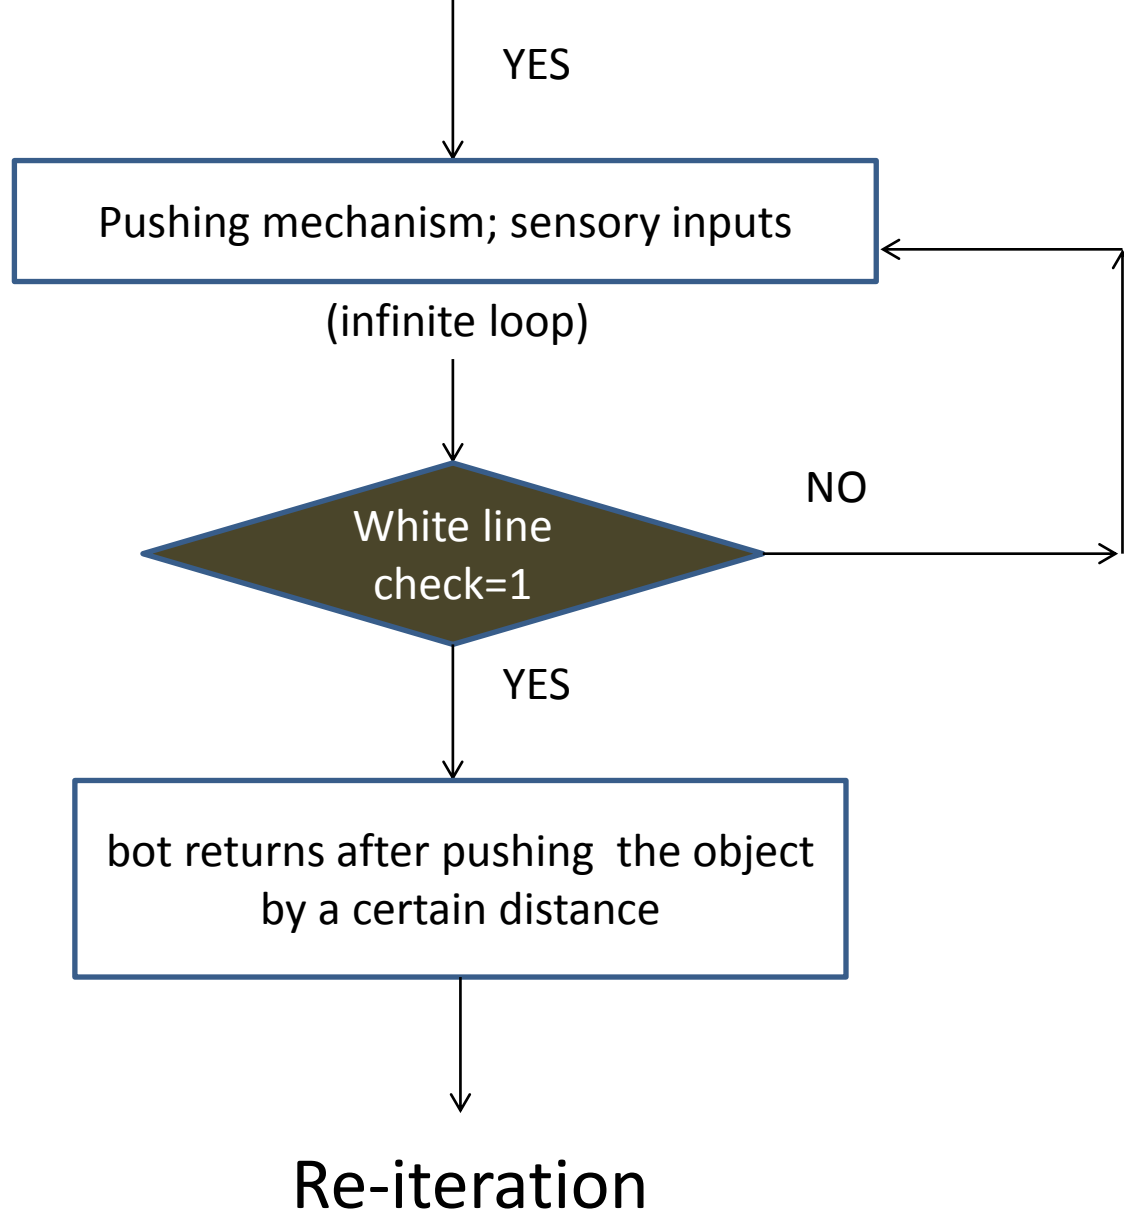

**Concept behind the algorithm used on  
Firebird**

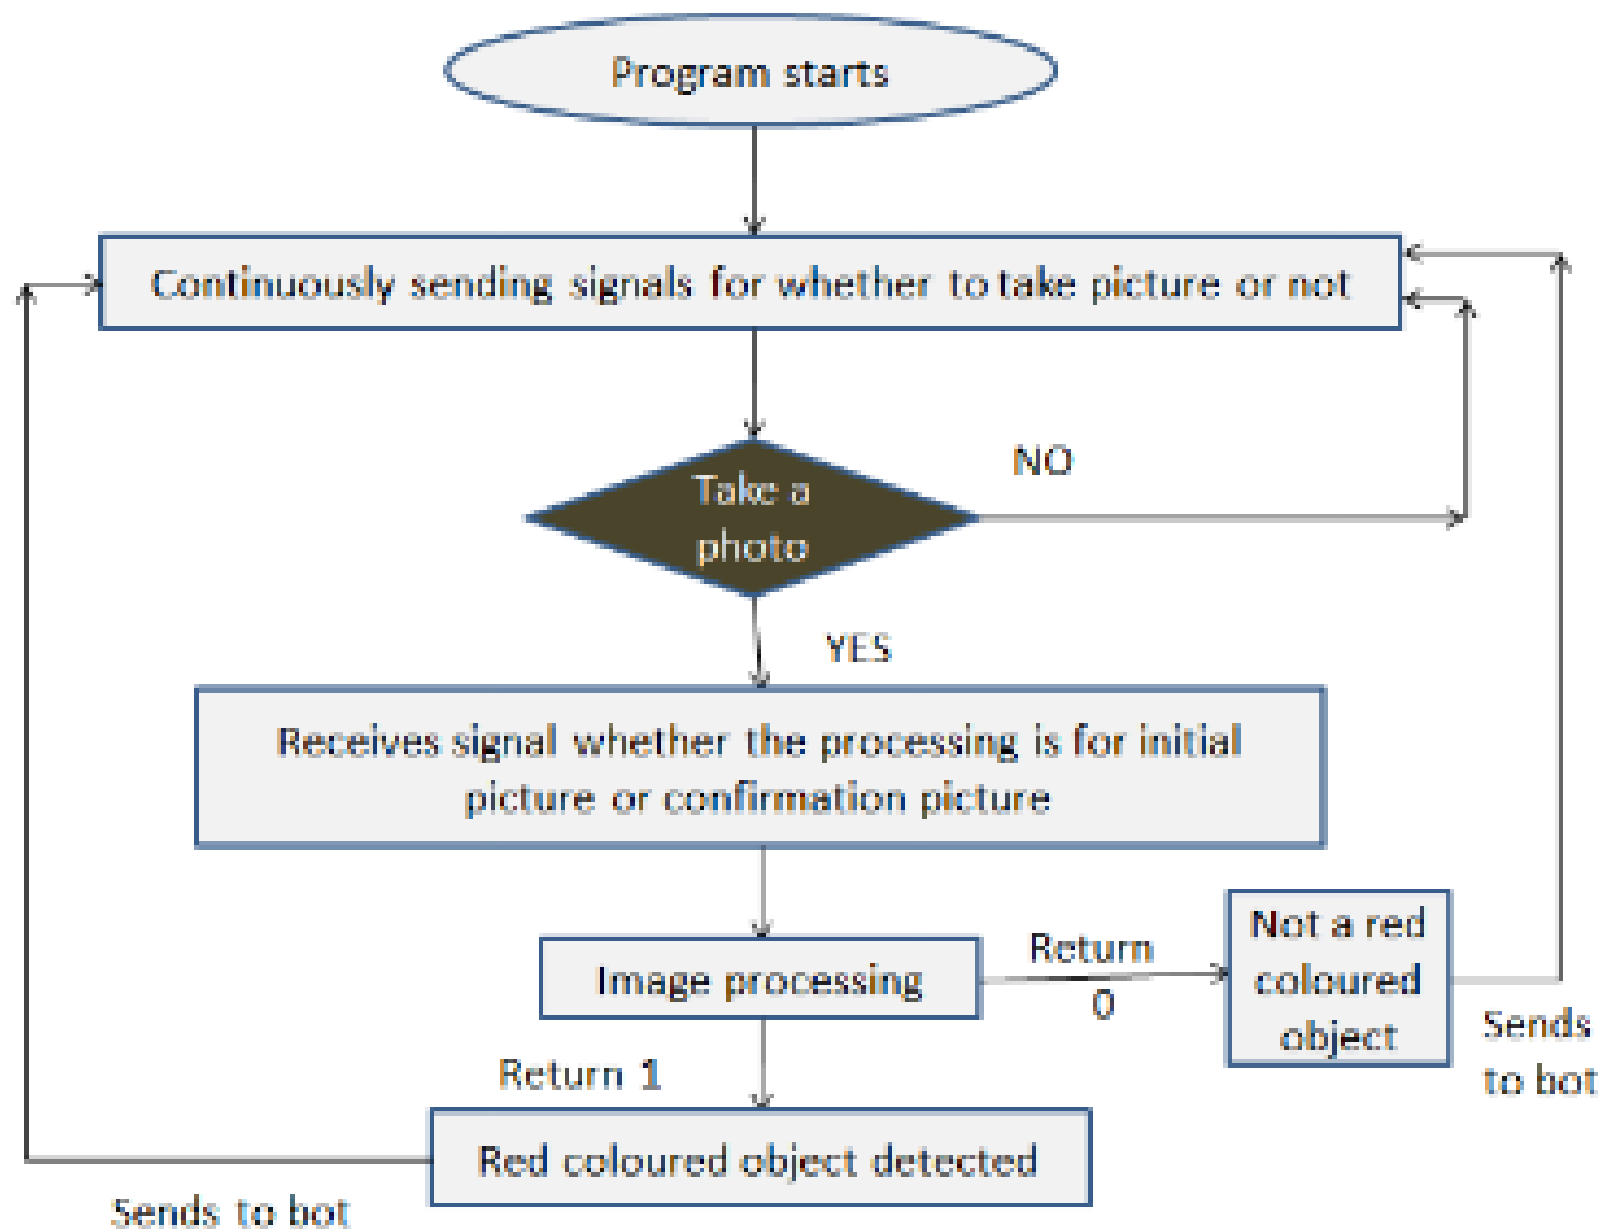

# Main Program

**Signal Processing at a glance**

*Thank you*
